

## CSA Crop Share Information

Community Supported Agriculture (CSA) membership welcomes you to connect with the farm and people where your food is grown. In its simplest form you contribute to the farm at the beginning of the growing season, when seeds, fertilizers and other resources are purchased and planted. In return you become a member of the farm and receive a weekly share of the best produce our farm has to offer including more than thirty types of vegetables, herbs, fruit, and flowers. Everything in your CSA crop share is grown on our farm using organic farming methods, since 2009. Our farm is certified organic by Oregon Tilth.

As a member of the farm you will receive a weekly newsletter describing the contents of your CSA box, recipes, and updates about farm work and fun. Camas Swale Farm potlucks offer additional opportunities to connect with the farm and occasionally u-pick. If you are interested in regularly volunteering on the farm in trade for a Full CSA crop share, ask about our Working Memberships.

### *CROP SHARES Start Wednesday, May 8th, 2024*

Sign up by March 1st for 5% off and by May 1st to experience full season

**Full Summer Crop Share:** 26 boxes delivered weekly May - Oct ~ \$30 per week

Includes 8-12 items weekly. Intended to meet the needs of a four-person household, or a smaller household that loves seasonal produce. This is the most economical option. If you think this could be too much for your household consider ordering a small share or splitting the Full share with a neighbor.

**Small Summer Crop Share:** 26 boxes delivered weekly May- Oct ~ \$24 per week

Intended to meet the needs of two person household. This share will contain most of what a full share includes, but lesser amounts.

**Salad Lovers Add-on:** 2/3 lb bag of mixed salad greens delivered weekly May - Oct \$6.15/week

Offered by popular demand! Many weekly boxes contain head lettuce and other fresh greens but most weeks do not include pre-mixed salad greens. If you really like ready-to-eat mixed salad greens, consider a salad lovers add-on. By selecting this specialty add-on, mixed salad greens will be delivered with your harvest share every week.

**Fall Crop Share Add-on:** 4 boxes delivered weekly in November \$36.25 per week

Late season boxes include fall favorites, longer storing roots, alliums, pie-friendly squash, along with leafy greens and salad mix for the holidays.

Each weekly share will typically contain (among the other seasonal items) a cooking green, a root vegetable and an herb or seasoning (e.g. basil, parsley). The rest of the farm share is a mix of seasonal produce, along with some flowers and fruit. We aim for each weekly box to contain at the value you have invested according to market prices. Each weekly box can vary in size. In 2015 - 2023 the real market average weekly value of the full "bushel share" was \$32, an immediate **cost savings of over 15%**. Here is a sampling of what we grow and when you might see those items in your CSA box. For a full list of what we grow, and archives of previous seasons newsletters with "what's in your box" and recipes, see our website at [www.CamasSwaleFarm.com](http://www.CamasSwaleFarm.com).

**Early June-July:** lettuce, snap and snow peas, radish, kale, chard, bok choy, broccoli, carrots, cabbage, parsley

**Mid July-Aug:** potatoes, carrots, beets, green onions, cabbage, cauliflower, basil, strawberries

**Late Aug-Sep:** tomatoes, peppers, eggplants, garlic, sweet corn, zucchini, cucumbers, cilantro, dill, green beans, lettuce, melons, celery, sweet potatoes, pears

**Fall Oct-Dec:** winter squash, roots (carrots, beets, storage potatoes, parsnips, rutabaga), garlic, onions, leeks, apples, lettuce, and return of those early summer crops including broccoli, kale, mustard greens and more

# CSA Crop Share Agreement 2024

Fill out this form and send with your payment to the farm. Thank you!

Sharing households: Only one box is packed and it is up to you to split the share. Some members meet at the pick up site and split the share according to their tastes, some alternate weeks. Please include contact info for both households if you plan on sharing a bag.

Downtown- Backyard Farmer	501 Washington St.
Coburg- The Farm	91424 Coburg Rd.

## Payment Options

The best payment option for the farm is for you to pay with one single payment as it gives the farm an early season income stream to purchase seeds, building materials and other essential resources to get the season started. If this is not possible, you may send in post dated checks for the whole season and we will deposit them by the 5th of each month.

— **Single Payment:** Enclose one check for full amount.

— **Monthly Installments:** Enclose five checks, one with today's date and the others post dated for July 1, August 1, September 1, October 1. Please make the checks out for the same amounts. Divide your total amount by five and enter that value to each check.

— **SNAP/EBT:** Mark here if you are eligible for SNAP and would like to use your SNAP/EBT benefits (\_\_\_). \*If using this option we will email you an additional form after sign up.

**Vacation Days:** Two deliveries per season may be exchanged for credit with three days notice.

\_\_\_ Yes! Sign me up for Camas Swale Farm CSA. By signing up, I understand that I am committing to the growing season and shall share in the bounty and the risks of the CSA. I also understand that it is my responsibility to pick up my share unless special arrangements are made, or my share will be donated to the pick up site host or food relief agency.

**PLEASE SEND FORM AND PAYMENT TO: Camas Swale Farm 91424 Coburg Rd Eugene, OR 97408**

*Thank you for investing in local farming! We'll send an email when your order is received.*
